

Preparing to present a client in supervision: date:

I will present (client)	
From supervision on this I want...	
Client context/background	
Most recent interactions with client	
This client evokes in me	
Any ethical, equality, risk, legal or other professional issues	
I am reluctant to say about this client....	

Following supervision:

New insights about the client	
What I will take forward in my work with this client	
Learning for me	
My objective(s) from this learning (SMART Objective)	
Other notes
